Flavour and Colour Contributions

- Clean malt flavor, perfect base malt for all beer styles
- Used at 100%, this malt produces a beer with a light golden colour.

Recipe Formulation

- Suitable for use at up to 100% of Grist Bill
- The Premium 2-row has sufficient enzymes to allow the brewer to use up to 30-40% non-malt adjusts

Storage and Shelf Life

- Store in cool, dry conditions
- Keep away from pests and odours
- Optimum shelf life within 1 year from date of manufacture

Package sizes

- 25kg bag
- 1 MT tote
- Bulk volume in various sizes (20MT – 5000MT), in trailer, railcar, vessel, lined containers
Applications

- Ingredient for Brewing, Distilling and Food Manufacturing

Certifications Available

- Produced at a HACCP certified facility
- Kosher
- Organic

Product Characteristics

- Product deliveries shall conform to the Canadian Food and Drug Act
- Produced from AMBA/BMBRI approved malting varieties
- Raw materials are tested for traces of pesticides, mycotoxins and heavy metals by a 3rd party laboratory
- All ingredients are manufactured, stored and transported in such a manner as to prevent chemical, physical, or biological contamination including pest infestation
- Product is ready to use
- Fit for human consumption
- Free of Genetically Modified materials
- Product of Canada

Allergens

- Malt products contain gluten which can cause adverse reaction for people with gluten intolerance
- Malt may be produced with Sulphur Dioxide and thus may have residual Sulphites, actual value will be reported on Certificate of Analysis at customer request

Warning

- Protect from heat source
- Excessive dust may cause skin irritation and breathing issues
- See SDS for Combustible dust hazard information
