

## Technical Data Sheet

### Canada Malting Superior Pilsen Malt

#### Features

- Produced from selected lots of premium, Alberta-grown Copeland barley, exclusively malted at the Canada Malting Calgary Malt house.
- Low in protein and colour
- High in extract
- Balanced modification

#### Typical Analysis<sup>+</sup>

Colour °L	Moisture % Max.	Protein Total Max.	Extract FG Dry Min	Extract CG Dry Min
1.35 – 1.65	4.5	10.8	80-82	80.0

#### Flavour and Colour Contributions

- The Superior Pilsen is a very clean malt, without the grassy, sulphur notes common from European Pils malts.

#### Recipe Formulation

- Used at 100% this malt creates fantastic, clean and crisp pilsners
- This malt is perfect for any beer calling for a delicate flavour or colour, such as Saisons, Sours, and all hop forward styles
- This malt is also very popular with Distillers for Gin and Whiskey production

#### Storage and Shelf Life

- Store in cool, dry conditions
- Keep away from pests and odours
- Optimum shelf life within 1 year from date of manufacture

#### Package sizes

- 25kg bag
- 1 MT tote
- Bulk volume in various sizes (20MT – 5000MT), in trailer, railcar, vessel, lined containers
